Re: *Fraserdb, Inc. v. Craig Snyder*, Civil Action Number: 10-CV-3983

Dear Judge Castel:

On behalf of both parties in the above-captioned case, I am hereby filing a request for an adjournment. The parties request the adjournment because they are working toward settling the case, and one month of additional time is needed. There have been no previous requests for adjournment or extension. The parties also request that the court postpone any scheduled dates because they will not be necessary if the parties are able to come to a settlement agreement. Thank you for your time, and I look forward to your response.

Very truly yours,

Brett E. Lewis
